30 YEARS OF EXCELLENCE

Remarkable Experience

It's more than a shower enclosure – it's about taking care of your customers

The selection of a shower enclosure should be easy. The installation process should be hassle free and the result, an elegant centerpiece in the bathroom. It's where your customers can get away to relax in style.

With over 50 years of expertise creating and installing custom shower enclosures, we promise to make the experience remarkable for you and your customers. Our team of design engineers, craftsmen and trained installers make all the difference. It should be more than a shower enclosure. It should be all about your customers and the remarkable experience they have with us.
